

# **OBERWERK**

High-Performance Optics for Earth & Sky

Dear Oberwerk Customer,

Thank you for your purchase of the Oberwerk 45° 70mm Binocular Telescope finder mount. Installation is very easy. Simply remove the rear (closest to the eyepieces) screw from the handle mount bracket using a 4mm Allen wrench (5/32" will also work).

Using the longer screw provided with the finder rail, secure the finder rail to the handle mount bracket, as shown in the picture.
